

[Turtlebox](#)

YOU SHOULD WALK AWAY AND SAY: Turtlebox is the ultimate rugged, waterproof, and insanely loud outdoor speaker for adventurers who want music that can keep up with their lifestyle.

1. More boom for your buck.
2. Jump off a waterfall with it.
3. Bust it up.
4. Such smooth sound for such a rugged machine.
5. So rugged but so smooth.
6. Our toughness speaks volumes.
7. We'll be okay.
8. Don't worry, we'll be okay.
9. We're going down with you, Captain.
10. The adventure is never loud enough.
11. No adventure is too loud.
12. The campsite just got a whole lot louder.
13. The forest just added another noise.
14. There's nothing quiet about it.
15. Just don't throw it in the fire.
16. Tuned in for a good time.
17. Matching how rowdy you are.
18. For as rowdy as you get.
19. Nothing rowdier than it.
20. Designed for the backcountry.
21. Designed for where there are no limits.
22. Worry about having a good time.
23. One less thing to worry about.
24. Just a whole lot of stories.
25. Oh, the stories that'll come with it.
26. The kinds of stories that will come along with it.
27. Any time is a good time.
28. Just check out and turn it up.
29. The volume of good times increases.
30. Increase the volume on a good time.
31. Increase the volume on the good times.

32. Increase the volume on good times.

- 33. Associated with the best times you'll have.
- 34. Making the best memories have volume.
- 35. Giving your best memories a volume.
- 36. Increasing the volume on the best times you'll have.
- 37. We can speak to our toughness.
- 38. Background noise to memories.
- 39. Background noise to the best memories around.
- 40. There's for all of the "You remember when?"

41. Background noise for "Watch this."

- 42. Background noise for "You remember when?"
- 43. The best background noise for adventure.
- 44. Providing background noise for all of the adventures.
- 45. There's no adventure that's louder.
- 46. For every volume of adventure.
- 47. You ever thrown a speaker down the mountain?
- 48. Use it as a decoy.
- 49. Designed for all your bullshit.
- 50. We've tested it for that.
- 51. We designed it for rednecks.
- 52. Goes best with a good time.
- 53. By your side for all of the best times.
- 54. The companion for the best times.
- 55. Just throw it in the back.
- 56. The last thing you'd forget.
- 57. Nothing harder to forget.
- 58. There's something broken, it's not us.
- 59. If you broke something, it's not us.
- 60. Bet you can't break it.
- 61. You couldn't break it if you tried.
- 62. Ain't nothing broken here.

63. Man's second best friend.

- 64. We're here, buddy.
- 65. Just because it's scratched up doesn't mean it's broken.
- 66. Scratches are a sign of a good time.
- 67. The more scratched up, the better the times.
- 68. The better the scratch, the better the time.

69. The more scratches, the better.

70. It's what's on the inside that matters.

71. It's louder than hell.

72. Louder than your truck speakers.

73. Just put your tailgate down.

74. Made to sit on the back of a tailgate.

75. The official speaker of Jon Boats everywhere.

76. Blasting on every jon boat.

77. The loudest speaker on this side of the Mississippi.

78. Covered in lake water, mud, and dust.

79. Sounds better covered in dust.

80. Handle without care.

81. Handle without a care.

82. Handle without a damn.

83. Handle without giving a damn.

84. For letting loose.

85. Just enjoy the company.

86. Always in good company.

87. Bringing around the best company.

88. Blasting away the bad vibes.

89. We can only control what happens to us.

90. We can't protect you.

91. No protection from the feeling tomorrow morning.

92. Can't protect you from a sunburn.

93. Made for the wild.

94. Built for the wild. Belongs outdoors.

95. Belongs outdoors. Built for the wild.

96. Built for the wild, by the extreme.

97. You don't need to go around checking up on us.

98. No band-aids needed.

99. The last speaker you'll ever buy.

100. A siren for good company.

101. A siren for a good time.

102. Built loudly simple.

103. Toughest design for the best times.

104. The best design for the wildest times.
